ABOUT ME

I'm D Mithun Jain, a Computer Science diploma student specializing in full-stack development. I have experience building responsive and dynamic web applications using React.js and related technologies, with a focus on creating clean, efficient, and user-friendly solutions. In addition, I have gained professional exposure through data entry and transaction management work at SKDRP, where I processed large volumes of Aadhaar and account records with accuracy and attention to detail. I also possess skills in graphic design and video editing, which complement my technical expertise by adding a creative dimension to my skills.

TECHNICAL SKILLS:

Programming Languages: Java, Python, HTML, CSS, JavaScript, React JS (Basic).

Databases: MySQL, Excel Tools & MongoDB (Basic).

Platforms: Visual Studio Code, Git, Canva, Adobe PS, Windows OS, Linux.

Other Skills: Graphic Design, Video Editing, Reselling, Financial Market Analysis & Investing.

HOBBIES & INTERESTS

- Key Interest in Geopolitics and Global Affairs.
- Active in Stock Market Investing and Analysis.
- Experience in Reselling and Digital Marketing.
- Skilled in Video Editing and Graphic Design.
- Exploring Investment Strategies and Financial Planning.
